

# International Mathematical Union

November 2005

## POSTAL BALLOT - #1/05

After analyzing the documentation, the Executive Committee of the International Mathematical Union recommends that **Portugal** change from **Group I to Group II**, as of January 1, 2006. The supporting documentation is attached. The original letter of request was signed by Virginia Corrêa, Director of GRICES and José Francisco Rodrigues, President of the Portuguese Committee for Mathematics.

The vote is the responsibility of the Adhering Organization.

Adhering Organization is in favor of Portugal changing from Group I to Group II.

Adhering Organization is not in favor of Portugal changing from Group I to Group II.

Name of Adhering Organization: \_\_\_\_\_

Name of Country: \_\_\_\_\_

Signature: \_\_\_\_\_

Name of person above (please print): \_\_\_\_\_
